THE ROLEPLAYING GAME

SECOND EDITION

ARE YOU READY?

SWORDS

War was his trade. Life was a continual battle, or series of battles, since his birth. Death had been a constant companion. It stalked horrifically at his side: stood at his shoulder beside the gaming-tables: its bony fingers rattled the wine-cups. It loomed above him, a hooded and monstrous shadow, when he lay down to sleep. He minded its presence no more than a king minds the presence of his cupbearer.

Command your allies in combat to take advantage of new and improved formations, or use canny woodcraft to lay traps and ambushes.

Explore new and varied options for shedding the blood of your enemies. Fight with the tactical acumen of the soldier, the brute force of the barbarian, or the supreme mobility of the nomad.

SORCERY

'His eyes are like coals of red fire that look into depths unnameable. I have seen him make corpses rise and walk, and skulls champ and grind their naked jaws.'

Learn and enact new rituals both light and dark. Ward a home against evil sorcery or smash it apart by calling down storms.

New defensive blasts. Hurl your enemies aside with sorcerous might, vanish into thin air, or summon a demonic patron to tear your foes asunder!

... AND ADVENTURE

"Fool, do you think you have conquered because my people are scattered? Because I have been betrayed and deserted by the demon I enslaved? I am Thugra Khotan, who shall rule the world despite your paltry gods! The desert is filled with my people: the demons of the earth shall do my bidding, as the reptiles of the earth obey me. Lust for a woman weakened my sorcery. Now the woman is mine, and feasting on her soul. I shall be unconquerable!"

Walk the halls of palaces, the streets of slums, and the claustrophobic corridors of long-forgotten tombs. Win or lose great treasures. When you cannot stand alone it will be time to die, but until then live well, drink deep, and carve your name in the annals of an unforgiving world by the right of your great deeds!
